

FREDDIE PAYNE

Game Developer

Work Experience

SPRUNG STUDIOS SEPT 2024 - PRESENT

I work as a Frontend Developer, partnering with Rare to create UI for *Sea Of Thieves*. We use Coherent GT, a middleware for Unreal Engine.

WIX GAMES MAY 2023 - AUG 2024

Game Developer with multiple responsibilities, ranging from Gameplay Programming in Unity to dialogue writing. I worked on *Duck Life 9: The Flock* from inception to completion.

INTO OCT 2022 - MAY 2023

Backend engineer specializing in C# and Azure tech

GHYSTON SEPT 2020 - AUG 2022

As a Software Developer, I contributed to a talented, successful team as a developer and Tech Lead. I also wrote blog posts for our website.

THEGAMER APR 2022 - NOV 2022

As a Guides Writer, I researched popular titles, combining my excellent written communication skills with my deep knowledge of the industry.

Education

2017 - 2021

Bristol University
Mathematics and Philosophy MSci (First Class)

2016 - 2017

Magdalen College, Oxford University

2009-2016

Hailsham Community College
A Levels (2A*/2A) GCSEs (6A*/4A/1B)
